

# **ATTENTION !**

## **REGISTERED APPLICATORS/BUSINESSES AND OPERATORS/APPLICATORS IN TRAINING**

Remember that before you enter into business for yourself, you must first register that business with the Pesticide Control Program, and if you plan on getting licensed, you need to attend a BASIC TRAINING COURSE. The

Bureau of Pesticide Compliance is offering a program designed to teach you everything you need to avoid costly penalties for not properly following the regulations. In addition, this course qualifies as a "basic training course" as a prerequisite for Core Certification and/or Initial Operator Licensing. Senior Inspectors of the Pesticide Control Program will teach the class. Topics to be covered are: proper licensing for applicators and businesses, record keeping, proper maintenance of pesticide storage areas, service vehicle requirements and how to comply with the current notification requirements.

All classes will be held at our main office, 22 S. Clinton Ave., 3rd. fl., in Trenton, NJ, and will run approximately 3-3 1/2 hours (9:00 am to 12:30 noon). The format will mimic a Routine Applicator Business Inspection (this is the inspection we perform with all applicators and businesses at one time or another). All applicators in attendance will receive 4 units of Recertification credit towards Core and No Fee Will Be Charged For The Course! If you wish to attend a class, please read and fill out the information below and return it to the Pesticide Control Program, Bureau of Pesticide Compliance, P.O. Box 411, Trenton, NJ 08625-0411, Attn. - Joseph La Bella. NOTE: *This course will be offered to you on a one-time per applicator/business basis. If you do not show up for your scheduled class, you will not be able to sign up for it again.*

(Additional forms can be downloaded from [www.pcpnj.com](http://www.pcpnj.com))
